Choice Seed Potatoes

Are Very Scarce

The prices quoted here are for immediate order and spring shipment and subject to market changes. The varieties listed below are the most popular and best varieties now in cultivation. These potatoes are grown from certified seed of the most disease-free strains and are healthy, vigorous and true to type. Prices on this page are f. o. b. Rochester, purchaser to pay freight or express. No charge for packing or bags. Prices on larger quantities on application. Please be sure to indicate how you wish shipment made. We generally ship by freight unless ordered by express or when the quantity is such that to send by express is cheaper. One-half bushel at bushel rate.
